QUALITY REGISTERS, GRILLES AND DIFFUSERS FOR OVER 65 YEARS

Make a Bold Statement.

Conventional 350 Series Deluxe Floor Diffuser

- > Stamped heavy gauge cold-rolled steel for strength and durability
- > Fan-shaped air pattern for both heating and air conditioning applications
- > Locking screw provision for positive volume control
- > All component parts, rivets, linkage, and handle enclosed in valve to assure trouble-free operation

Standard Finishes: Soft White, Driftwood Tan

Classic 375 Series Premium Floor Diffuser

- > Fabricated steel construction for maximum strength and durability
- > Resistance welded individual vanes
- > Locking screw provision for positive volume control
- > All component parts, rivets, linkage, and handle enclosed in valve to assure trouble-free operation

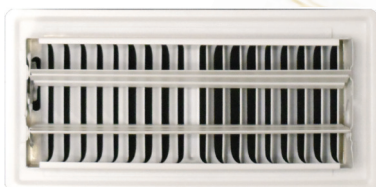

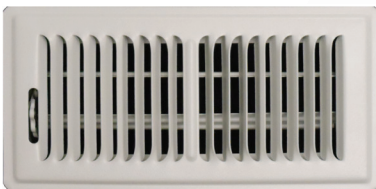

Standard Finishes: Soft White, Driftwood Tan

Contemporary AFP Series Aluminum Perimeter Diffuser

- > Extruded aluminum commercial grade construction
- > Reinforced pressure lock design
- > Screwdriver adjustable opposed blade damper

Standard Finish: Satin Anodized

Superior Product Engineering & Construction.

- Just the FACE of our 350 Series weighs more than competitor's total product weight!
- Industry elite damper housing on all products creates structurally sound and dependable protection for all moving parts.
- Gives homeowner peace of mind knowing Shoemaker products are engineered to stand the test of time.
